

Katy: I'm happy for her. What about you? _____?

Carolla: No, I don't work. I study medicine at Cambridge University.

Katy: Oh, excellent! _____?

Carolla: Yes, it is a bit difficult but I love it.

Katy: _____ when you finish college?

Carolla: No, I don't want to live in England when I finish college. I want to go back to Germany and work there.

Katy: Very good, maybe I can visit you there. See you later!

Carolla: Take care.
